

YOUNG MAN HELD ON FRAUD CHARGE

Checks for \$13,000 on New York Bank Bring Report of "No Account"

SAYS HE SERVED IN ARMY

A young man living in a Broad street hotel, who offered to go into partnership with a Germantown shoe dealer, was arrested last night on a charge of attempting to obtain money by false pretenses.

The accused man, Albert Dwight, Jr., twenty years old, was held today in \$5,000 bail for a further hearing October 12 by Magistrate Meekley in Central Station. He told police he served in the army in France, but refused all further information about himself. Dwight replied to a newspaper advertisement inserted by George H. Perry, 1746 North Fifteenth street, who has a shoe store in Germantown. Perry advertised for a partner with \$10,000 or more to invest. Perry told the police he was favorably impressed by Dwight. He entered the young man at the White Marsh Country Club and played golf with him. Dwight, in company with Perry,

went yesterday to the Germantown National Bank, Germantown avenue and School lane, and offered a \$10,000 check on the Harriman National Bank, of New York.

According to the police, the young man wanted an account opened in the name of Dwight and Perry. He also offered a \$3000 check, it is said, on the same New York bank for a personal account. Thomas C. Knox, cashier of the Germantown National Bank, telephoned to New York before accepting the checks, and learned, he said, that Dwight had no account there. Lieutenant Zinn, of the Germantown station, was notified. After Dwight had been quizzed by the police for several hours he was placed under arrest.

TWO SUICIDES IN FAMILY

Woman at Uncle's Funeral Learns Husband Has Ended Life

While his wife was attending the funeral of an uncle who had committed suicide, Howard Bomhoff, of 730 State street, Camden, ended his life by inhaling illuminating gas.

The wife was standing beside the bier of her uncle in Millville yesterday when she was given a note, written by her husband.

"By the time you receive this note I will have ended it all," the note said. "Don't worry, but take care of yourself and the baby."

Mrs. Bomhoff hurried home. She found her husband dead in a room on the second floor. It is believed the man ended his life Saturday night. He was thirty-eight years old and a clerk at the yards of the New York Shipbuilding Corporation.

CAMDEN ROBBERS GET \$10,000 CLOTH

Back Auto Up to Window of Store and Cart Away Valuable Goods

LOSS DISCOVERED TODAY

Thieves with an automobile broke into the tailoring shop of Maurice Seagan, 590 Walnut street, Camden, and stole cloth valued at \$10,000.

Entrance to the store was gained by forcing open a side window. Then the truck, signs on the sidewalk show, was backed over the pavement to the window and the goods loaded directly into it.

Only the most valuable of the large amount of cloth stored in the building was taken, the thieves evidently working leisurely and making selections that must have taken them some time.

Some persons living nearby saw the automobile standing there just about daybreak today, but the men were working so openly that no attention was paid to their activities.

Seagan discovered the robbery and reported it to the police when he opened up his store today. Police are trying to trace a truck carrying cloth which is said to have crossed the ferry into Philadelphia.
